FYI - We briefed Dennis this past Tuesday. There was a somewhat large crowd, many of whom had not had a briefing. It seemed to go well. I think they understand at least the resources issues.

Kendra -

I would like to follow up with you and see if we can identify some dates that will work for a briefing on Pebble mine. As of now it looks like I can have a great team in Seattle on the 21st - the 24th of June. Would any of those days work for you?

Thanks again for your help.
